Homestay Fee Details

Homestay fees cover the first day the student arrives and continue for 5 months, for example, from August 26 to January 25. Additional days between September and June 30 cost \$35 CAD per day. If a student arrives on August 26 and departs on June 30, we will issue an extended homestay invoice for five days, June 26, 27, 28, 29, 30.

Our international student program ends on June 30 and students are expected to depart Campbell River on or before June 30. After this date, the program absolves itself of responsibility for education, supervision and custodianship. Medical insurance also ends on June 30. For these reasons, it is very important that students purchase a departure ticket by April 20 and prove their intention to depart.

Students who remain after June 30 will be charged a \$100 administration fee.

We will need documents signed by natural parents absolving our International Program for responsibility.

Travel fees:

Students who travel outside of Canada with a host parent; or students who travel anywhere without an adult will be charged a **\$100 travel fee**. Our international student office will ensure that appropriate travel documents are prepared, natural parent waivers have been completed and that medical insurance has been adjusted to cover this trip. In some instances, students will need to purchase additional medical insurance and visas to cover their destination.

In the event that unforeseen circumstances (natural disaster, pandemic, weather, labour dispute, etc.) force the closure of schools for an extended period of time, no refund of tuition fees will be paid by the program.

Students enrolled in studies in the September of a given school year have until September 30 to change their status from fee-paying to non-fee-paying by submitting proof of landed immigrant or other valid status. After September 30, no refund will be given.

If the student's education needs and/or physical, emotional or mental health needs are greater than disclosed on the application the District reserves the right to terminate the agreement and send the student home without refund at the parent's own expense. Any inaccuracy in the application submission is grounds for the District to terminate the agreement and send the student home without refund at the parent's own expense.
